

Huntington Beach Union High School District

PARENT NOTICE FOR NON-RELEASE OF DIRECTORY INFORMATION

11th & 12th Grade Students Only

The term "Directory Information" means that your student's name, birth date, birthplace, address, ethnicity, participation in school activities, dates of attendance, campus, regional, state and/or national honors and awards (including school GPA, honor roll and/or commencement recognition) will be available, upon request, to specified agencies. (Height and weight of athletes will be made available.)

Colleges, universities, and military recruiters may request student directory information on 11th and 12th grade students. Federal law, including the *No Child Left Behind Act* (NCLB) 2001, requires that school districts release student information to military recruiters upon request, unless the parent has requested in writing that it not be released. All branches of the military know that student directory information is available to them by November 1st each year.

**If you do not want the Huntington Beach Union High School District to release directory information for your student, please fill out the form below and return it to:
HBUHSD, Pupil Services, 5832 Bolsa Avenue, Huntington Beach, California 92649.**

Parental requests to withhold the release of student directory information will remain in effect as long as the student is enrolled in our district, unless changed by written notification from parent or guardian.
