

Huntington Beach Union High School District
Ninth Grade California Physical and Health Related Test
 Class of 2005
 Administered Spring Semester 2002

As specified in Assembly Bill 265, Chapter 975, 1995 (Alpert), Statutes of 1995, districts are required to assess all ninth grade students in spring semester. As required by the Education Code, these data were reported by computer in June 2002 to the State Superintendent of Schools through the California Department of Education.
